WINE LIST

Oenos | Vinum | Wine

Three words that sound so different yet are so alike. Words that today enclose a deeper meaning encompassing art, passion, and style.

Since the creation of the most ancient cultures of the Mediterranean, wine holds a special place on the tables of humanity. From the Caucasus mountains and the clay qvevri buried in the ground to the golden oïnos of Ancient Greece and on to Rome and the rest of the known cosmos. Pages and pages have been written describing vines, their fruits, and the grounds from which they blossom. We tasted wines from Macedonia to Santorini and the Ionian Islands, France, Italy, Argentina, Chile, New Zealand and beyond, and we hereby invite you to taste some of our finest finds.

“No thing more excellent, nor more valuable than wine was
ever granted mankind by God”
